

Kronopol Sp. z o.o. · ul. Serbska 56 · 68-200 Żary · Polska/Poland

REACH - Declaration

Hereby we declare that all products manufactured in Kronopol Sp. z o.o., Żary, ul. Serbska 56, are safe products possessing required attestations and certificates.

The products do not contain **SVHC** substances (substances of a very high concern) included in Annex XIV of REACH Regulation and also in the Candidate List that covers substances that are subject to authorization requirements, i.e. carcinogenic, mutagenic or toxic for reproduction substances (**CMR**) of 1st or 2nd category (according to Directive 67/548/EWG), persistent, bioaccumulative and toxic substances (**PBT**), very persistent and very bioaccumulative substances (**vPvB**) and other substances which give rise to an equivalent level of concern to those of other substances listed above.

Wood-based products manufactured by Kronopol Sp. z o.o., when use for its intended use, do not release to the environment any harmful substances that are listed in Regulation (EC) No 1907/2006 of the European Parliament and of the Council of 18 December 2006 (as amended) concerning the Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH).

Kronopol Sp. z o.o. Żary fulfils all requirements of above mentioned Regulation (REACH).

Notwithstanding mentioned information, we are controlling the realization of REACH by our suppliers, doing so in our own business and also in order to guarantee a high level of products' safety. We are in close contacts with our suppliers of chemical substances and products. Our prospective suppliers are evaluated on the basis of possessing initial / appropriate registration of chemical substances included in REACH system.
